

## FACE PAINTING

**Face Painting is an ancestral art observed in certain tribes on all continents. Originally a warrior's art, today it is essentially festive. Having made a big impression on the universe of fashion, the adepts of this technique are now in their thousands! Come and discover a discipline which reveals exceptional moments of creativity!**

### Concerned public

This workshop is aimed at activity leaders, teachers, make-up artists, actors, dancers, artists... or to any person who wishes to learn how to transform a face through painting.

### Pre-requirement

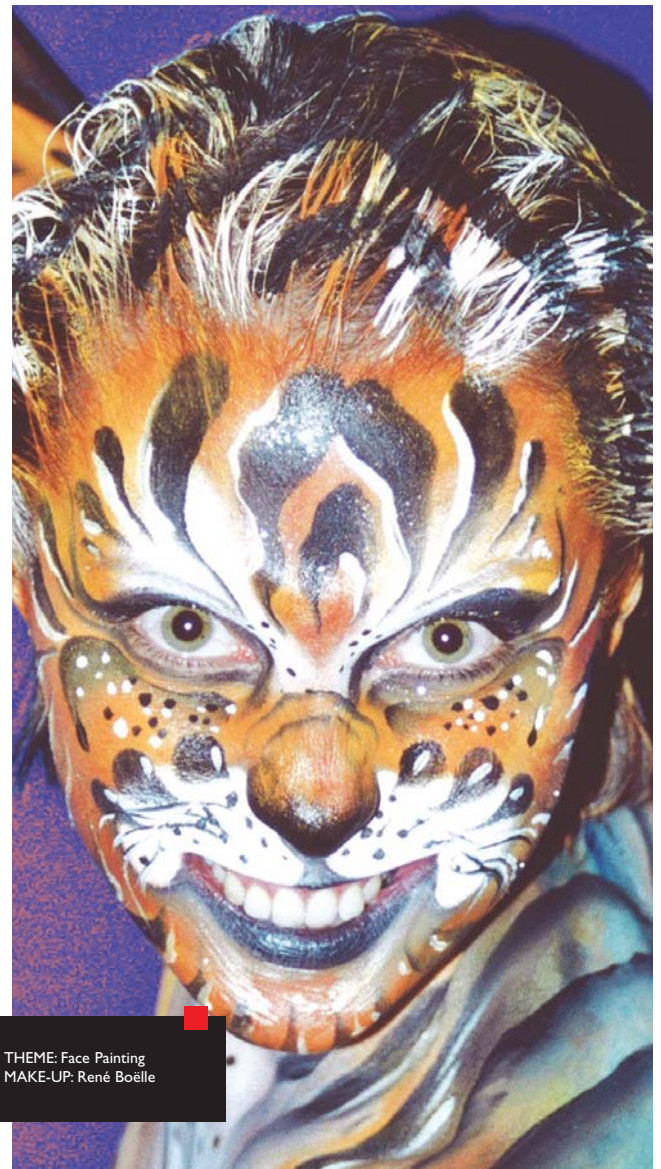

None

### Objective

- To discover the use of body painting to transform a person's face into a character.
- To be able to animate events, carnivals, children's shows, etc.

### Duration

2 7-hour days (9.00-0.30/1.30-5.00), that is to say 14 hours in total.

THEME: Face Painting  
MAKE-UP: René Boëlle

**Program**

- Harmony of colors.
- Shadow and light.
